## Event Supplies

**Racing Tent** One big inflatable tent with a checkered flag theme. The tent measures 40' in diameter and approximately 20' tall. Great for shade, advertising (it catches some attention), and any outdoor party.

**Inflatable Movie Screen** Including our projector and sound equipment, pop in your favorite DVD & this is sure to blast you into a movie theater experience you won't forget. For indoor or outdoor use. Size is approximately 12'x9'.

**Sound Equipment** 2-100 watt speakers, stands, amplifier, mic, and cd player will make any event a party.

**Misting Tent** Add a light mist to your tent and lower the temperature by up to 25 degrees!

**Tents (10'x10')** Add shade to any event and keep the party people happy.

**Bubble Machine** Bubbles make a party! This machine will put out the bubbles in a serious way and add the aesthetics you're looking for.

**Generator** Have electrical problems? Let us take care of that for you. Each generator is the equivalent of 2-110 outlets and includes all of the fuel you will need.
