***Two participants wear harnesses which are connected to the inflatable unit with a bungee cord. The players race down their own lane, placing a baton as far down the center divider as possible, before the bungee cord springs them backwards. We now have a three-lane bungee run to cut down on the wait and increase throughput by 50%.***

**Specs:**

**2 Lane- 12' Wide X 30' Long X 10' Tall**

**3 Lane- 16' Wide X 30' Long X 10' Tall**

**1- 110v outlets each capable of 20 amps**

**2- operator needed**

**50 people through per hour**
