Survivor XL

*Take our Survivor Zipline and make it EVEN BIGGER! & voila, you have the Survivor XL. This is the biggest inflatable around at over 3,000 square feet in size & is sure to drop some jaws when your guests see its size. **Due to the high number of anchor points on this unit, there will be an additional 10% surcharge on the list price if the setup is on a surface requiring sandbags/water anchors. A location in which we can utilize stakes is recommended to avoid surcharge.*
