Inflatable Slides

Space Shuttle Turbo Slide

Taking “IMPRESSIVE” to another level. This 36’ tall spiral slide looks like we are ready for launch. With graphics and size, your guests will comment on the look and get back in line again and again for the out-of-this-world slide. **Due to the high number of anchor points on this unit, there will be an additional 10% surcharge on the list price if the setup is on a surface requiring sandbags/water anchors. A location in which we can utilize stakes is recommended to avoid surcharge.
